Turning twenty-seven may be terrifying for some, but for Alex, a struggling artist living in the midwestern United States, it is cataclysmic. Inheriting a huge expanse of land should have made him a rich and happy man; but something about this birthday, his name, and the beautiful woman whose life he just saved, has suddenly made him-and everyone he loves-into a target. A target for extreme and uncompromising violence . . . In Alex, Terry Goodkind brings to life a modern hero in a whole new kind of high-octane thriller.
